Approved For Release 2006/04/20: CIA-RDP82-00457R014300269003-1 SHORES 25X1 *** Comment. The Arbeitsamt in Rostock has been occurred by a Soviet komendatura since the middle of June. The other buildings which have already been vacated or are about to be vacated are possibly to house German and Soviet offices which are to be transferred as a result of the reorganization of Land Regierungen into Bezirk Regierungen.
